### **M3 joins Globex International Group as Partner Broker**

M3 Insurance has recently signed an agreement with Globex International Group, a multinational insurance and risk management services firm that partners with select growth-oriented regional brokers. Not only does this partnership expand M3's operations outside the United States; it allows us to provide the resources and expertise necessary to confidently serve clients with international exposures.

Over the past few years, M3 has continued to see the reality of a global economy among clients and prospects. The capacity to work with businesses that not only have an international sales focus, but also an international presence was a driving factor in partnering with Globex. With a stronger understanding of global insurance, M3 can pursue additional opportunities for international business. We can position M3 as a true international broker.

Partnering with Globex International Group provides M3:

- A dedicated team of professionals with more than 200 years of combined experience in international brokerage and underwriting.
- A worldwide network of over 300 agents and brokers, spanning 130 countries and providing retail and wholesale services on our behalf.
- Confidence in working with one of the top three producers of insurance business in the world.
